- 0 CLOSING REMARKS
Bret Duston, Board Chair

WHY READY SET GROW?

Ready, Set, Grow is an opportunity to raise funding for program services for the next 12 months, ensuring every woman we hire in the next year can learn the life skills she needs to find self-sufficiency. This year, the goal is to raise \$250,000. This will provide program services to 40 women - 60% of the women we serve each year. Your donation today matters. It will impact the lives of women for the year to come.

- \$10,000** Supports life-skills classes, including coping & goal setting, to maintain sobriety & healthy relationships for successful, self-sufficient futures.
- \$5,000** Provides mentoring for 20 women throughout their tenure.
- \$1,000** Provides computer literacy classes for 10 women.
- \$500** Is the cost for each woman to receive case management during her tenure, helping her navigate the resources to address her basic needs.
- \$250** Provides planning, organizing and SMART goal setting to one woman.

For Colorado residents, all gifts of \$250 or more are eligible for a 25% tax credit.
