Gather for Good: An Interactive Experience Benefitting
Women's Bean Project

Sponsorship Opportunities

At Women's Bean Project, growth is more than a goal - it's a way of life.

For more than 35 years, Women's Bean Project has helped women in Denver grow into their full potential by offering more than a job; we offer a fresh start. We hire women who are rebuilding their lives, and we provide the stability, structure, and support they need to thrive.

Every woman earns a paycheck from day one while gaining critical life and job skills. Through steady employment paired with wraparound services like career coaching, financial literacy, and case management, she plants the seeds of lasting change; for herself, her family, and her community.

This is what growth looks like: stability replacing struggle, confidence replacing fear, and potential blooming into possibility.

Why Your Sponsorship Matters

As a sponsor, your company invests in:

- Economic growth through women's workforce development.
- Community growth through stronger families and neighborhoods.
- Personal growth that changes the trajectory of lives.

You'll join like-minded community leaders to celebrate resilience, share stories of impact, and power the programs that create lasting change.

Every partnership plants the seeds for a more vibrant Denver. Join us as we celebrate the women of Women's Bean Project - their courage, their determination, and their incredible capacity to grow.

Being here showed me that I still have value, that I still want to fight for this life.

Why Sponsorship is Good Business

Brand Lift & Reputation

Align your company with one of Denver's most recognized and respected nonprofit social enterprises. Sponsorship signals to customers and employees that your business stands for empowerment and second chances; values that inspire loyalty and trust.

Employee Engagement

Partnering with Women's Bean Project creates meaningful volunteer and networking opportunities that boost morale, increase retention, and strengthen company culture.

Community Investment & Measurable ROI

Every dollar invested in our mission generates tangible returns for the local economy. Your investment fuels real outcomes, backed by data and decades of success.

The Event

Your support is an investment in shared success. When women rise, families stabilize, businesses prosper, and communities flourish.
